

Sharing Experience for Community Wellness

VISION

Healthy, Self-Determining and Vibrant BC First Nations Children, Families and Communities

MISSION

The FNHDA works to promote culturally strong, experienced, professionally trained First Nations Health Directors; provide technical advice on research, policy, program planning and design; and support the implementation of community Health Plans.

GOALS & OBJECTIVES

GOAL 1

Provide professional development, training, networking and support services for Health Directors, supporting their well-being and success in their community roles, and enabling their participation in the improvement of the broader health system.

OBJECTIVE 1.1

Increase capacity of Health Directors to develop and implement community health planning processes.

OBJECTIVE 1.2

Build the capacity of Health Directors through developing and implementing a training plan that will include a comprehensive certification-based training program and other training and learning opportunities.

OBJECTIVE 1.3

Support excellence in healthcare and health administration, including accreditation, while respecting diverse community health systems.

GOAL 2

Support Transformation through effective participation of the FNHDA in the First Nations Health Governance Structure and providing quality and timely technical advice.

OBJECTIVE 2.1

Develop and implement a transparent and inclusive process for FNHDA members to contribute technical advice to the transformation agenda and provide that advice to the partners within the First Nations Health Governance Structure, and other partners.

OBJECTIVE 2.2

Collaborate with the FNHC and FNHA to achieve the joint commitments in the health plans/agreements to achieve our shared vision and support the respectful inclusion of the FNHDA and Health Directors' input.

OBJECTIVE 2.3

Promote holistic health and champion wellness.

OBJECTIVE 2.4

Build partnerships with external partners, where it is relevant to the FNHDA's mandate, including health organizations, associations, etc.

GOAL 3

Uphold high operational standards and seek to continuously improve, grow and evolve the FNHDA.

OBJECTIVE 3.1

Expand effective communications and information sharing between the FNHDA and its members.

OBJECTIVE 3.2

Support accountability through effective reporting of the FNHDA Board to its members, and by inviting feedback, measuring outcomes, and reflecting on-going evaluation.

OBJECTIVE 3.3

Improve administrative processes to support efficient, effective, and responsive service to FNHDA members and the Board.
