

About the Program

The goal of the Unlocking the Gates Warrant Resolution Program is to provide immediate support to individuals who are in the community and have outstanding warrants.

We hope to support you and meet your goals in your community and reduce the likelihood of beaching your court order or probation.

The program is peer-led, meaning that **we've been in your shoes and we know the challenges navigating the court system.**

Endorsed warrant: We will accompany you to the police station/ courthouse and support you to vacate your warrant. We will continue supporting you in the community by assisting you reporting to your probation officer and attending any future court appearances.

Unendorsed warrant: We can connect you to legal aid lawyer, we will supply a support letter for the judge outlining how UTG will support you in the community. UTG staff will connect to crown council to work on your behalf to advocate for you to continue to remain in the community. We will walk alongside while you are still involved in the justice system to insure you are successful in completing your bail or probation conditions.

Unlocking the Gates Services Society Warrant Resolution Program

The goal of the Unlocking the Gates Warrant Program is to provide immediate support to individuals who are in conflict with the justice system.

We hope to support you to vacate any outstanding warrants or legal issues.

Unlocking The Gates Warrant Resolution Program

We can support you

About the Program

The goal of the Unlocking the Gates Probation/Bail Resolution Program is to provide immediate support to individuals who are in the community and support you to successfully complete your probation/bail order.

We hope to support you to meet your goals in your community and reduce the likelihood of breaching your probation/bail or reoffending.

The program is peer-led, meaning that **we've been in your shoes and we know the challenges navigating the court system.**

The support offered by this program aims to assist transitioning individuals in accessing the health and social services they need to increase their chances of a success.

Our program is grounded in participatory processes and restorative and social justice principles by enhancing reintegration efforts through supportive relationships and encouraging community dialogue, collaboration and capacity building.

Unlocking the Gates Probation/Bail Resolution Program

Are you on probation or bail?

Unlocking the Gates will match you with a peer outreach worker who will support in the community through the process of checking in with your probation/bail or parole supervisor, we can call or find you if you miss your check-in.

We aim to support you to successfully complete your probation/bail order. The program is to ensure you don't fail your conditions and end up with a breach.

Is your PO looking for you?
