

# Unlocking the Gates (UTG) Probation/bail resolution program

Are you on probation or bail?

UTG will match you with a peer outreach worker who will support in the community through the process of checking in with your probation/bail supervisor, we can call or find you if you miss your check-in.

We aim to support you to successfully complete your probation/bail order. The program is to ensure you don't fail your conditions and end up with a breach.

We can support you by:

- Connecting with your probation/bail supervisor
- Accompanying you to your probation/bail appointments or court
- Provide a letter of support for court
- Connect you to housing or treatment/recovery centres
- Connect you to community resources/services

Call

604 518-3261
